MR. PAWEL FILLEBORN

President

Polish Bodybuilding & Fitness Federation

Dear Pawel:

On behalf of the IFBB, and personally, I wish to convey you our warmest congratulations for the outstanding success achieved by the Polish Bodybuilding Federation this past weekend with the organization of the World Junior's & Master's and Wheelchair Championships.

Please, extend this congratulation and thanks to all your Executive Council, federation members, and especially to your vice president Arkadiusz Leszczinsky, who as chairman of the local organizing committee provided the best coordination and assistance at the highest level.

Since the arrival to the departure, through the most efficient transport arrangements, nice accommodation, care of quality meals, and technical details at the championships; everything made this event a great celebration for sport in fairness and solidarity.

The World Junior's & Master's Championships symbolize the best combination between high performance sport, fitness and healthy lifestyle. Bialystok has been a significant contribution for its continuous growth.

About 300 participants from 45 countries from the five continents are now back at home with founding memories of these championships.

Again, congratulations and thanks.

Best regards,

Rafael Santonja
